Educational Opportunities for LTC & AL IPs!

- **Assisted Living**
 - [APIC & Argentum Infection Prevention & Control Essentials for Assisted Living](#)
 - APIC Members \$225, non-members \$305
 - The importance of infection prevention and control (IPC) is paramount in senior living communities. The pandemic highlighted the need for IPC training to equip caregiving staff with the knowledge and skills necessary to take proactive measures to provide a safe and healthy environment for our residents. This comprehensive training program provides caregivers with a deeper understanding of how to prevent infectious diseases from spreading throughout senior living communities, minimizing risk for both residents and staff.
- **Long-Term Care**
 - [APIC Infection Prevention & Control Essentials for Long-Term Care](#)
 - APIC Members \$265, non-members \$350
 - APIC has the education and resources to help you train staff, manage compliance, and develop successful infection prevention and control practices for the care and safety of your patients and residents in your long-term care facility.
 - This convenient bundle combines our popular online learning course with one of our most popular publications to give you a comprehensive overview of the key topics you need to know. From federal regulations to *C. difficile* in LTCs, you'll be well-prepared to design and manage successful infection prevention and control programs in your facility.
